REMEMBER TO PLACE YOUR ORDER IN TIME

We need your orders at least 3-4 working weeks before official installation to allow us to process orders effectively and provide you with the best possible service. Please note that other order times may apply to certain products and services. These instances will be specified in the catalogue. You will find the order deadline for your particular event on Stockholmsmässan's dedicated web site for each event.

Please be advised that a 30% surcharge will be added to ordinary prices on orders Stockholmsmässan receives after the above deadline. An additional surcharge will be added to orders not received until official installation. Prices for plants, exhibition insurance and stand catering are not affected.

PRODUCTS AND SERVICES

All prices for our products and services are rental prices excluding VAT and refer to the entire exhibition period unless otherwise stated. Stockholmsmässan cannot be held responsible for any printing errors, non-availability and price adjustments.

CHANGES/CANCELLATIONS

You will be billed the full price for any order that you change or cancel less than five working days before the event's first official move-in date, or if your material has already been produced.
